ORDER

Koshy,J.

This review petition is filed by the claimant. His substantial disability in the motor accident is the fracture of right forearm. Considering the total compensation awarded by the Tribunal, i.e., Rs.64,500/= with 9% interest from the date of application till the date of payment and considering the grounds in the appeal, in the judgment under review we have held that just and reasonable compensation was awarded and no further enhancement is necessary. We see no ground for reviewing the judgment.

The review petition is dismissed.
